## Today's forecast: Sunny with a chance of Elvis

Al Roker looks shocked, but it's not every day you get to meet Elvis. The portly "Today" show weatherman joined an Elvis impersonator at a barbecue blow-out bash in Memphis, Tenn., to celebrate the 50th birthday of the antacid product Maalox. Along with hosting music and entertainment, Big Al presented a \$25,000 check from Maalox to the American Red Cross in honor of its fast-acting relief work.
