Dear Amy,

On behalf of the Chandler Chicco Agency and our clients, I would like to thank you and your team for all of your hard work in helping to make the kick-off of the "Two Against One: Couples Battling Prostate Cancer" spousal program such a huge success. We truly appreciate your energy, expertise, feedback and flexibility along the way, as we couldn't have done it without you.

Our efforts paid off, as word of the program spread quickly (select coverage enclosed). In just the first three days following the program's launch, there were more than 30,000 calls to the toll-free number and about 12,000 hits on the "Two Against One" website. Prostate cancer patients and their spouses are finally able to obtain much of the information that they have been seeking for so long.

Organizing such a comprehensive program required a great deal of teamwork and planning and we really appreciate you helping to make this process run so smooth.

We look forward to working with you in the near future, as it's always a pleasure.

Best,

Lisa Stockman
